

Mr. Mathias Falkenberg

Programme Manager

ECOS

Mathias Falkenberg is Programme Manager of ECOS – Environmental Coalition on Standards – a position he has held since 2022. As Programme Manager Mathias is focused on policies and standards to promote the sustainable use and production of plastics as well as to end plastic pollution into the environment.

ECOS is an accredited observer to the UNEP and its governing bodies namely the United Nations Environment Assembly, and a member of the UN One Planet Network. ECOS also contributes to a number of impactful international campaigns, such as the Rethink Plastic alliance, Break Free From Plastic, Coolproducts, Right to Repair, the Cool Coalition, and Coalition for Energy Savings.

Previously, Mathias has held the position of EU Affairs Advisor for a German waste management association, promoting circular economy and waste regulation in the EU. He has master's degrees in economics as well as in European economic studies and is a German national.
